September 15-October 1, 2006

Since 1930, the New Hampshire Building at the Eastern States Exposition, West Springfield, MA, has been a showcase for the Granite State's culture, industry, craftsmanship and Yankee heritage. Experience a taste of New Hampshire by visiting us on the Avenue of States and enjoy great food (including New Hampshire blueberry pies!), chat with artists and crafters while they work, sing (or dance!) along with musicians as they perform unique and traditional music on the Yankee Barn Homes performance stage and take home a piece of New Hampshire from one of the high quality exhibitors displaying in the New Hampshire Building.
